Construction and dismantling: General regulations

During the construction and dismantling periods, trucks are directed by a special guidance system close to the trade fair grounds.

The following regulations apply during domotechnica for vehicles over 3.5 tons:

1. On Monday, 11th February Trucks over 3.5 tons will be directed to P 22.

At P22, vehicles will be registered and access permission will be granted for entering the trade fair grounds.

Access will not be granted to the trade fair grounds unless:

- The exact delivery location (hall, stand number, service door) has been assigned
- The required logistics services have been provided by the contract transport agency
- The required areas for loading and unloading are available at the halls
- The customs handling can be completed

Our traffic staff at P22 will then direct trucks to the grounds.

2. When the dismantling period begins (on the last day of trade fair), all arriving vehicles will be directed to P22 by means of signposting and with Police assistance.

Vehicles may not access the trade fair grounds until 07:30 p.m. on February 21th, 2008.

Special regulations apply to vehicles weighing less than 3.5 tons (see access regulations on the last day of the trade fair)

Please note:

Vehicles will not be granted access to the trade fair grounds unless they first go to P22!

Free parking for unloaded cars during construction and dismantling:
